From Lords

SENIOR

During the Middle Ages, the pseudo-science of Astrology was a determining factor in the actions of the people. Since horoscopes are still cast, and there is a wide acquaintance with the signs of the Zodiac and their portents, we have checked into the possible influences which may be important forces in the futures of our senior friends. With tongues in cheeks, we present the following astrological conclusions. When there will be strong influences to be watched or important periods, we have taken special note.

Capricorn

December 22-January 20

Those born under Capricorn will be rough, self-made people, builders of their own fortunes, but generally prosperous. Life will continue to bring glamorous but unreliable romances and friendships, so always apply the slide rule of realism to such contacts if your want to avoid heartbreak. You must develop a sense of humor; for there is a danger you will take life too seriously and miss out on all the fun.

Among those born under the sign of Capricorn are: Larry Steward, Janey Butler, Julia Lamb, Adele Albrecht, Leon Ferguson, Mary Ann Flagg, Gerald Freeman, Kathy Houston, Julia Lamb, and Mary Whelan.

Sue Dowling — December 25 will be the most propitious day to apply for that secretary's job. Take your brother along. Judy Fite — Beware of hysterics on the first of January. Your best poetic inspiration will come under the sign of Aquarius. (When Don's sign is in the west.) Jim Benton — Watch for switches in your love life; (romantically speaking) romeos often come to an untimely end. Linda Simon — Face that class of 5 year olds with caution during the week of June the 7th to 14th. It's a measly week. Also watch out for the little boys.

Aquarius

January 21-February 19

People influenced by Aquarius are usually geniuses in art, literature or music, and also make splendid politicians, doctors, and lawyers. But, take nothing for granted, and never allow yourself to be caught out on a limb. Your fortune lies in the friends you make and the contacts they bring you.

Those influenced by the sign of Aquarius are: Don West, Sharon Colvett, Joyce Fisher, Billy Horton, Vernon Von Der Ahe, and Ronny Woods.

Norvel Wischmeyer and Larry Benson — Choose your friends wisely. (Birds of a feather, you know.) Ruth Deuser — All signs are favorable for your reaching the top in the game of politics, if you will check those nutty tendencies. Bill Trejbal — While science is your choice, it is the wrong field for a man born under the sign of Aquarius. Your horoscope suggests you change to art where you will be highly successful — perhaps as a house painter.

Pisces

February 20-March 20

Those born under the sign of Pisces will have very much the same attributes as those born under Aquarius, but they will not succeed so quickly. They have the zodiacal reputation of being loving and giving. They must be ultraconservative where money and investments are concerned and extremely discriminating in their choice of friends and associates. Otherwise, they will be surrounded by unscrupulous people who would exploit them.

Charlotte Belcher — Be ultraconservative in any dealings you have with mice and men. There is danger involved especially when Mars and Venus are in ascendency. Dean Goodweiler — Trouble is in store for you unless you clean up your language with Ivory. This should be easy since you will be 23rd vice-president in charge of distribution for Proctor and Gamble, if you are wise. This may sound fishy — but it's in the stars. Sharon McFadden — Perseverence and persistence are the dominant traits of your personality. Take full advantage of them. Choose a mate born under the sign of the Scales (Libra).

Aries

March 21-April 20

Love affairs of those born under the sign of Aries, the Ram, will be sudden, full of fancies, and of short duration. You will be quick to anger but just as quick to repent, and you will not hold grudges. Make sure that you can carry your plans through to completion before embarking on any project.

Aries casts its portent on the following seniors born under its sign: John Benton, Jo Ann Becker, John Orth, Larry Rachels, Luvon Rowden, and Bill Huitt.

Clyde Matt — Keep your mouth closed whenever, Taurus, the bull, is in the ruling house, in order to avoid competition. Ann Gerst — With your beautiful hair and eyes, we can see you on the cover of any magazine. You will always attract many admirers. With this ability, you should go far in some field which requires fine human relations. Joan Greenway — All the signs point to success for you after college. Be sure you carry your plans through in spite of obstacles. Vernon Kemper — Be independent and decisive in all your contacts with the fair sex. Your best matrimonial prospect is someone born under the sign of Capricorn. Remember your sign is the Ram — and push ahead.

Taurus

April 21-May 21

Many new and unusual opportunities are open to you in many fields. Your mental powers will be stepped up, and your organizational ability is on the increase. Chances for travel will come to you. Those born under this sign will be overly fond of choice food, high tempered, and inclined to be domineering and persistent, and determined to reach their goals at any cost.

The stars offer these predictions for these seniors: Robert Mueller, Ray Barnhouse, John Blalock.

Dianne Ashley — You must develop your latent aggressiveness in order to secure the top job opportunities. Be congenial on Brian's birthday. The stars are right for a proposal. Gary Keiffer — Cultivate more oomph! You will find it valuable in your future contacts with women. You will have to guard against your dictator tendencies, however. Mike Kostial — Stick to the woods. Your greatest chance of success will be in the great outdoors. Watch the bait you use on your line. You might catch a mermaid.

Gemini

May 22-June 21

The influence of Gemini means those born under the sign will be fond of mathematics and science or acting and oratory. They will have some talent for commerce, will have a saving disposition, and be moderate in all things. At times you will be brilliant in your speech and writing.

Many seniors were born under the benificent influence of the Gemini; they are: Clara Bakemeir, Karen Burton, Don Bowen, Cathye Bunch, Harold Dulin, Delores Krumrey, Judy Smith, John Fitzgerald, Pat Howard, Dan Metzger and Anna May Selz.

Joe Blomes — You must watch out for that over indulgence in pigs. A suggested line would be to take up farming; since you have to watch your pigs, watch them grow. Bob Musgrave — Learn to control your emotions. Your life will be happy and carefree, even though you are a heartbreaker. Beware of girls born under the sign of Sagittarius — they are pure poison to a Gemini man. Karen Simpson — You will be happiest when making a home or raising a family. We suggest you take a trip to a tropical isle where you will

HOROSCOPE

find romance.

Cancer

June 22-July 23

People born under the sign of Cancer will have keen and searching minds, will be heroic and pure in morals even to the point of austerity, and will be quick and clever in business matters. There is a tendency to be shy and self-doubting, which may cause unsureness in marriage.

The crab casts its powerful influence on the following seniors: Donna Akers, Sandy Daleen, Ray Sieferer, and Virginia Toombs.

Beverly Bellville — You must constantly guard against moodiness and depressing thoughts. If you do this you can go far in the world of education. Cultivate the ego. Mary Jane Jaycox — Vary your jobs — but stick to the secretarial line of work. You will be a good housewife and have a happy marriage, if you can stop belittlin' Mary Jane. John Glaser — Your originality of thought will probably result in a near discovery in science. No one will ever say you're not original; but if they do — clobber 'em. The hidden heroic tendency may develop later. Jean Judd — Choosing a career will be a little confusing for you, for many opportunities will come your way, and you will not know which to pursue. But there is one thing certain, you will be a devoted wife.

Leo

July 24-August 23

Leo assures that all those with birthdays during the Lion will reach positions of honor and trust. They will have a lofty mind, a spirit of fair play, dignity and a firm will. They will be steadfast, brilliant, but egotistical and presumptuous, yet never lacking in gratitude.

All these qualities are reflected in the personalities of these seniors: John Thomassen, Jan Barnhart, Gerald Beinke, George Craft, Bob Galyon, Sharon George, Barbara McKee and Ronnie Peterson.

Suzanne Holland — Go to college if you have the chance. Marriage is in store for you later on. Study up on children before they sneak up on you — in the classroom. Wayne Brantly — Try living dangerously. Take up the age-old sport of hot rodding which is guaranteed to make you age quickly. Faye Graham — Dior had better watch out when you step into the fashion world. Your ability in fashion design will take you far. Kathy Riebold — Although your laugh is a vital part of you, you will have to tone it down, if you wish to succeed in the field of acting.

Virgo

August 24-September 23

When Virgo exerts her influence, you will reach honors through personal merit. Those in her sign have a cool disposition, are merciful, honest, and straight-forward. There is a tendency to worry about health matters. Be conservative and reserved in your thinking.

Born under the sign of Virgo, and therefore possessing all her traits are: Bob Bartman, Larry Bopp, Barbara Brasher, Jo Ann Durbin, Orval Lewis, Pat Loeffel, John Priddy, Marion Diekman, and Connie Herold.

Sharon Becker — Your latent domineering traits will hinder you unless you learn to keep them in check. You might consider teaching gym as your vocation. Francine Mitchell — Your pleasant manner will help you go far in the business world. We suggest you get a job which requires good public relations. Carolyn Poe — Your sense of humor will take you far, but don't rely on it alone for future acheivements. Judy Schwench — You are rather fickle and must choose wisely for a happy marriage. Aquarius is the best influence for that marriage.

Libra

September 24-October 23

To be born under the sign of Libra is to be endowed with a love of study, of working with tools, and of music. Libras make a fortune late in life, thanks to some industry connected with navigation, or water power. Girls born under this sign will be most beautiful and attractive.

The scales weigh in their balance the lives of these seniors: Mike Basden, Dale Bennett, Larry Coleman, Karen Eberwein, Cordell Mertz, Mary Ellen Ries and Selma Schall.

Linda Thompson — Your keen mind will aid you in your future. A higher degree of education is in store for you. Gordon Dodge — Your intellectual capacity has been unused up to this point. Try to overcome your shyness, or else you will be lost in the crowd. Engineering is your field. Judy Wilson — Your pleasant personality is one of your best assets. The business world will play a big part in your life. Choose a mate born under the sign of Sagittarius. Robert Rowland — Your keen and inquiring mind will bring you great happiness and wealth in the years to come. Your personality best agrees with people born under the sign of Aquarius.

Scorpio

October 24-November 22

Scorpio addicts are religious, and have a firm hold on themselves, but are inclined to be dreamy and misanthropic. They will be slow to anger but inclined to hold grudges. They have logical minds which enable them to succeed when others fail, but they should avoid short cuts to success.

This group of seniors shows the influence of Scorpio: Janet Burkett, Margeret Cribbs, John Carnahan, Dale Krausch, Carolyn Pine, John Sanwald and Bill Welker.

Pat Quann — Your readings will lead you to your great goal in life. Your dramatic success is prophesied in the stars. Verlene Pfeiffer — Marriage is in the near future. A good life will bring you much happiness. Ross Haley — If you work hard, you will have success in the musical field, but you must try to curb your temper. You get along better with people born under the sign of Aquarius. Larry Eichwald — A great future is predicted for you if you can overcome your shyness. Power of personality will lead you to great achievements. Be bold and resolute, man!

Sagittarius

November 23-December 21

The sign of Sagittarius endows those born under it with simplicity, independence, and love of harmony. They will be timid, misunderstood, skilled with their hands, and gifted with eloquence. Walk a chalk line where your love life is concerned, and put nothing down in writing which you would not want read in a court room.

The horoscopes of the following seniors are cast according to Sagittarius influence: Bill Bice, Elaine Greene, Paul Horine, Bob Martin, Larry Stewart, and John Taber.

Mary Ann Mears — Since you are born under the sign of Sagittarius, you are skilled in crafts. Use your ability and you will succeed. Mary Ellen Kennedy — There is danger awaiting you if you try to be something you're not. Be careful in your relationships with others. Only a change in attitude will bring you the great success predicted for you. Doug McVicar — Your likeable personality and skill in music will lead you far. The stars show a brilliant future for you in the field of music. Wayne Daffron — If you wish to go far in the business world, you must try to overcome your reticence. It is a known fact that the overly quiet are sometimes overlooked. Be on guard against this trait.

So say the stars to the SENIORS!

SCIENCE CLUB OFFICERS

President, George Craft; vice-president, Dale Bennet; secretary-treasurer, Linda Thompson.

The science club, closely associated with the St. Louis Academy of Science and Natural History, is now in its third year.

Guests speakers, parties, movies, and projects all have been on the 1962 agenda.

Eureka and Lafayette chapters are contemplating a merger in the near future. This merger will almost double the present membership of the organization.

NATIONAL HONOR SOCIETY

The National Honor Society, an organization composed of those students who have attained the highest standards of character, scholarship, leadership, and service, is in its twelfth year at Eureka High School. The high ideals of the National Honor Society are symbolized in the keystone of an arch; for as the keystone is placed by the master mason to keep forever true the perfect arch, so are the virtues of character, scholarship, leadership, and service instilled in its members to keep forever true the structure of their education. The flaming torch is the emblem of the Society's purpose: to bear forward the searching light of truth, to lead that others may follow in the light, and to keep burning in our school a high ambition for the enduring values of life.

The Eureka chapter is sponsored by Miss Ethel Pierce; Bob Bartman is the president for the year. The several installations and the annual banquet were the major activities under his direction.

STUDENT COUNCIL

OFFICERS: Jo Ann Becker, Sec. — Bob Bartman, V.P. — Bill Bice, Pres.

The Student Council is the student governing organization of our school. Its members are elected in the homerooms at the beginning of the school year.

The Student Council officers, for the first time, were elected last spring following an exciting week-long campaign. Elected were Bill Bice, president; Bob Bartman, vice-president; and Jo Ann Becker, secretary-treasurer.

The Student Council this year has been most active, sponsoring two parties for the student body, the All School Party, and the Basketball Prom. The Council operated the supplies store all year to pay expenses of this year. Particular emphasis was placed on boosting the school spirit. The Student Council acted as hosts and hostesses for the Parent's Night, held on November 9. Finally, our Student Council was again a member of the S.A.S.C., the Suburban Association of Student Council. Our active Student Council always had members present at the monthly meetings.

The Student Council sponsors are Mrs. Stenerson and Mr. Jones.

FUTURE TEACHERS OF AMERICA

OFFICERS: Barbara McKee, President; Bonnie Rosser, vice-president; Charlotte Belcher, secretary-treasurer; Bernadette Walsh, historian.

The Eureka Chapter of the Future Teachers of America is an organization of students who are interested in becoming teachers. The group attempts to foster interest in teaching as a career and should be commended for the progress it has made.

Mrs. Stenerson and Mrs. Ritter are the club's sponsors.

Meetings are held once each school month at which time guest speakers talk about scholarships, college life, and the teaching profession. The officers of the Eureka Chapter formally installed the new Lafayette officers at the inauguration of the Lafayette Chapter.

"PUB"

The Eurekana includes again this year a Lafayette section; the Lafayette staff has been completely responsible for its portion. The entire pub class participated in the solicitations of ads from local merchants.

The Bugle Staff efficiently edited nine issues of our school newspaper: several special editions were produced here at school.

Both the Eurekana and Bugle staffs hope the student body has enjoyed their productions.

Reporters — Janet Burkett, John Taber, Janey Butler, John Sanwald, and Elaine Greene.

Reporters — Beverly Bellville, Karen Simpson, Linda Simon, Adele Albrecht, and Virginia Toombs.

JUNIOR PROMENADE

The Junior class entertained the graduating class at the Junior Promenade, held in early April. The promenade was the highlight of the social season, and again the juniors provided a fanciful setting for a delightful occasion. The lovely senior Queen, Jo-Ann Becker presided over the festivities as the final moments of the evening drew to a close.

BOYS' AND GIRLS' GLEE CLUBS

Under the direction of Miss Marie Harttman and Mrs. Clonda Ellis, the girls' and boys' glee clubs contributed to the enjoyment of the student body on several occasions during the year.

Among the glee club activities were participation in the "Get Acquainted Assembly," the Thanksgiving Assembly and the annual Christmas Vespers. In March, the girls' glee clubs presented to the student body a very interesting program consisting of the songs from the beginning of our nation to the present time. This musical heritage of America was divided into various eras with each class responsible for one period.

The glee clubs devote some time to Music appreciation and history as well as direct participation in choral music.

From these beginning groups are selected the members for the advanced choral group, the choir.

JUNIOR VARSITY

The Junior Varsity made a fine league showing this year. The boys played hard all year and can be proud of their fine record.

In their first league contest of the season the Kittens emerged victorious over Brentwood. In a thrilling overtime game, they beat Hancock by one point for their second league victory. In another close game, they were beaten by St. Francis by only one point. Although all of their efforts were not rewarded with victory, the Junior Varsity played very hard this season, and improved in technique as the year progressed.

"B" TEAM

Denny Goodweiler, Terry Moorman, Gene Springman, Tim Zorsch, Kenny Davidson, Glen Scheel, Tim Cox, Melvin Allison, Jim Ziegenmier, David Workman, Russell Roland, Danny Miller, Donnie Goodweiler, Coach Smoot.

VARSITY

The Varsity had one of the best seasons in recent years, showing good spirit and determination.

In the first tournament of the year, at Principia, the Wildcats won first place by defeating the Principia Panthers. In the first league game Eureka nipped a tough Brentwood team. Affton, in another tight game, defeated our Wildcats by two points.

In the Normandy Tournament, Eureka took 3rd place as we defeated Berkeley. Eureka had won the first eight games of the year before being upset by Parkway in this tournament.

Eureka took 3rd place at the annual South County Tourney as the team defeated Bayless by 12 points.

LETTERMEN'S CLUB

The Lettermen's Club, in its first year, has had much success in all that it has attempted and is obviously destined to become one of the active groups of Eureka High School.

The club completed and approved its constitution which includes the requirements for membership. This rather exclusive organization is made up solely of those boys who have earned letters in the various sports: baseball, track, and basketball.

The group plans to supervise an athletic supply store, and this year has a regular towel service. The club participated in the homecoming activities — winning the first award for the lettermen's entry.

E.H.S. CHEERLEADERS

The cheerleaders of the Eureka basketball season were Barbara Brasher, Jo Ann Becker, Elaine Greene, Karen Eberwein, and Julia Lamb. These girls certainly helped boost the team and school spirit by their never ceasing enthusiasm and faithful attendance at the basketball games.

ANNO DOMINI MCMLXII

In the year 1961 Anno Domini began the reign of William the Conqueror, chosen leader of the Council, called the Witenagemot for short. A round table of Ladies and Knights assisted Sir Bill, who set out to raise the "esprit de corps" to new heights. His pledge of fealty to his vassals stated his purpose. The council supervised the selection of a group of acrobatic troubadours to help in this project. Lady Jo Ann Bedlam; Elaine, Maid of Astolat; Lady Barbara Modish, Lady Lambiepie and Lady Karen Eurekana led the loyal vassals at the various jousts and tourneys in which the Wildcat jousters participated. Among the famous elder Knights of the Wildcats to join the lists in each fray were Sir Belvedere Benson, Sir Able Steward, Sir Leanbean Benton (Lord Maximus), Sir Gawain Glaser, and Sir "Pete" Paladin. Lord Kostial, Thane of Kew, was the assistant overlord of the cheering vassals who banded together to witness their knights' skirmishes.

Guilds were formed taking the name Craft guilds from the founder, Lord Gorgeous Craft. The leaders in the various guilds were as follows: WEAVERS — LaBelle Butler and Graham la Faye; CARPENTERS — Fergus, son of Leon the Scot; Sir Galahad Goodweilerious, and Count Dodge III of Pippin; ALCHEMISTS Sir Trejbal, Master of Chemistry and Catherine, la Belle Bunchus; SCRIBES — Dutchess Suzanne of Holland; Freeman, Knight of Rohan, and Sharon, Maid of Colvett; HISTORIANS Clydus Mattus, Lord Muckelbucket and Greenway, Maid of Palisade; INSTRUMENTALISTS — Musgrave the Magnificent; Bennett, Lord of Bonhonme; Sir Gareth Kieffer; Mack Vicar, Earl of Douglas; and the latest guild, the CHAURSE D'HYPOCRAS with Lord Gorgeous Craft and Sir Bartman Blunderbuss. Design of Milady's wardrobe continued an important aspect of everyday life. Engaged in this task were masters at the craft; Anna, Maid of Crocker and Gerst, Lady Fleur-de-lis. Champion linguists were Sir Archibald Eichwald and Johannus Taberius. Among the strolling tumblers were Maid Marian Mears, Lady Marilyn the Good, Lady Herold of Constantinople, and Verlanius Isolde — who faithfully followed her drummer-boy-friend, Tristam, Chevalier de Krausch, to pay homage to knights of the Cape Cambridge home-coming.

During William's reign, the cultural aspects of life were encouraged. Minstrels and troubadours of note performed frequently. The Madrigal Singers, including Lord Lothario Benton — Master of Myth; Ross, Lord Flurricane; Kemper, Lord Tussle; Lady Simon Tassle, Lady Barbara Gazette; Charlotte, Coleen of Canterbury, and Lady Judith of Julep, made several pilgrimages — one at Christmas Season to Ramco. There was an author of great acclaim — one Robertus, whose autobiography was set to music as the **Song of Rowland.** There were also bands of cultural aspirants who wished to become apprentice court tutors (FTA) and designers FHA). The GAA formed the Order of the Bathe, and in this year the Lettermens' Club completed its Magna Charta, enabling those knights who had won their spurs to belong to its round table. The followers of the occult became apprentice magicians by joining the mysterious Epsilon Sigma Kappa, where they studied ancient rites by the light of the magic lantern.

Sir Bartman Blunderbuss' words "I dub thee Knight" thrilled the knights and their ladies who were initiates in the NHS. Among those paying homage to the honored code were Lady Ariel Albrecht, Lady Jo Ann Bedlam, Lady Barbara Modish, Lady Karen Eurekana, Sir Belvedere Benson, La Belle Butler; Lady Virginia, Keeper of the Tombs; Lady Linda of Thomps; Sir Trejbal, Master of Chemistry; Lord Gorgeous Craft, Lady Barbara Gazette, and Johannus Taberius.

Other busy knights and ladies of the round table included Don Skip Quixote and Daniel Sanchos; Blalock, Earl of Fabliaux; Bopp, Earl of Ballwin; Lady Caroline Po Po, Huitt the Silent, Lady Rowena Rowden, Sir Sirloin Sanwald, and dramatic Czarina Quann. These and others attended the various court balls and other social events.

Sir Bartman Blunderbuss, Sir Able Steward and Elaine Maid of Astolat officiated as feudal leaders over the realm of E.H.S. They assisted William the Conqueror in making suit to the illuminated manuscripts of Prominus Periodical.

The stocks were seldom occupied this year, but occasionally wayward pilgrims were incarcerated. Among those spending time in durance vile were Commadore Robert of H.M.S. Galyon, Sir Donald of Westminster, Sir Paul Passetyme, Lord Quarllius Queathem and Sir Loafus Loeffel. Maid Random Riebold, Lady Donna Derby, Lady Ruth Resolute, and Maid Burton the Bold, wilful maids of mischief, were charged and brought before the Medieval court of Justice.

Many other pilgrimages were made during the year. Among those who made the various trips were Daffron, Lord Pinchpocket; Huitt the Silent; Lady Beverly, Belle of Pubville; Caroline, Lady of the Pines; Earl Orvell, Thane of Lewiston; Lady Clara Touch-me-not; Baroness McFadden of Sharlee; and Sir Norval the Wisher.

All of them and their contemporaries looked forward with glee to the day when they would receive their sheepskins and charges to find the Holy Grail.

Miss Hartman,

You don't know what a pleasure it has been having you as my music "professor." I have learned a great deal this year and I hope very much to continue with music. I think the French Horn has helped me very much in tone and ect. You are one of the greatest teachers I know, & may your next classes be as good??? as ours. I shall probably be back sometime next year and haunt you so look for me... then run.

Miss Hartman
I just thought that I had tried out for chorus sooner but I was sure you are busy. I did and I really do love it. My sisters and brothers are all in choir (Bill) and they really urged me. I did learn a lot! Thank you for the opportunity to be a part of your class. I have much talent and I will be using more of your teachings in the future. Thank you so much for all you have done for me. Merry Christmas

Miss Hartmann,

I sure have enjoyed being in your class. I just wish I would have been in glee club the years before.

I wish I had a little of your talent. I need it. Even, though, I can't carry a tune very well, it has been fun trying.

I hope that I can have as good a year ~~next~~ my senior year as I had this year under your instruction.

The best of luck to you always and may God bless you.

Best Wishes,
Gayle Poole

Miss Hartmann,
